From the July Town Council Meeting.

Sgt Shane Braegger from the Box Elder County Sheriffs Office was filling in for Deputy Merkley. He reported on 8 incidents: Agency Assistance 1, Citizen Assist. 1; Community Policing 1; Extra Patrol 2; Motorist Assist. 1; Personal Injury Accident 1; All other thefts not vehicles 1.

Town Treasurer, Shelly Logan, reviewed the June financials and we are doing well in the new fiscal year budgets.

Mayor Brad Hawkes was unable to attend the town council meeting.

Mayor Pro Tempore Rex Nessen reported that Mayor Hawkes gave him two names of people who expressed interest in the empty Planning Commission seat. Since there were only three council members present it was decided to wait until the next council meeting to appoint a new planning commission member.

Mayor Pro Tempore Nessen reviewed a letter from Lagoon offering discounts to town council members and their families if they go to Lagoon.

It was brought up that there was a large amount of water not accounted for. Council Member

Hawkes stated that there were two leaks. One has been repaired.

Council Member Mark Sorensen reported that more work on the sprinkler system was needed.

Clerk Leon Kotter reported that Jan Douglas purchased a wrong sized flag (6' x 10') and was wondering if the town could use it. She is asking \$100.00. This is cheaper than getting it from Colonial Flag. The town can use it.

In going over the FY2024 budget, we have received more income than was budgeted for. The FY2024 budget should be amended to reflect this increase and other adjustments to the budget. It was decided to hold a public hearing August 13, 2024, at 7:10 p.m.
